Service Committee

The Service Committee helps the Meeting identify and respond to service needs both within the Meeting and in the Boulder community at large. Through such service we put our faith into practice.

Duties

- Alert the Meeting to needs and service opportunities within the Meeting and in the larger community.

- SC members are encouraged to volunteer with organizations our committee supports financially, as a way to make a personal connection that goes beyond financial support. Members are also encouraged to make themselves available to help with Friends in need, in coordination with Care Committee.

- Research and prioritize outreach opportunities.

- Prepare an annual budget for assistance to various community aid organizations and the Echo House fund, in accordance with the guidelines approved by Business Meeting.

- Purchase and deliver supplies to Echo House, as requested.

- Oversee the budget for the outreach line items approved in the current budget.

- Organize an annual fundraising event for the Echo House Fund.

Meetings are held once a month

Membership is voluntary, with the Convener selected by committee, reviewed annually.
